## The Academy of Correctional Health Professionals:

*Your professional  
community for  
correctional health care*

# Join the Academy of Correctional Health Professionals Today!

Membership in the Academy of Correctional Health Professionals is an unmistakable sign of your commitment to professionalism and adherence to the highest standards in this field. Whether you seek to expand your network, advance your education or obtain valuable resources, the Academy can help you attain your professional goals.

## Mission

Create a professional community for the advancement of correctional health care.

## Goals

- Assist the professional development of our membership
- Promote education and information exchange within the correctional health care community
- Advance the science and ethical practice of correctional health care
- Advocate for correctional health care excellence

To achieve these goals, the Academy has crafted a unique package of custom-designed programs and services.

## Who is Eligible?

Membership in the Academy is open to all individuals interested in issues related to correctional health care. Certified Correctional Health Professionals (CCHPs) receive a complimentary Academy membership.

## Benefits of Membership

**Journal of Correctional Health Care:** Receive a free subscription (a \$102 value) to the only national, peer-reviewed journal with an exclusive focus on correctional health care, and earn continuing education credit.

**SJO Online:** Through a partnership with Sage Publications, Academy members have exclusive access to the *Journal* online and can link to the full text of cited articles of other journals hosted on the SJO.

**CorrectCare™:** Receive a free subscription to the nation's most widely-read magazine dedicated to correctional health care.

**Shared Interest Groups:** Join small, focused gatherings and online discussions devoted to specific topics and sectors of interest to you.

**Mentor Program:** Develop a professional relationship with a mentor who will support your professional advancement.

**Web Site:** Access the membership directory and other features available only to members on our Web site.

**Publications:** Receive discounts on all Academy and NCCHC publications, including NCCHC's standards and guidelines.

**Education:** Receive discounts on all Academy and NCCHC seminars and conferences, including the National Conference on Correctional Health Care.

**Networking:** Share ideas and resources with fellow members of the correctional health care field.

**And More:** As the Academy continues to grow and respond to member needs, more benefits and services will be offered.

**Looking for a new job?** This benefit is free to job seekers. Post your resume online and showcase your skills and experience to prospective employers to find the best job opportunities.

**Hiring?** Receive member discounts on job postings and access the most qualified talent pool to fulfill your staffing needs.
